WORK EXPERIENCE

FOUNDER AND LEAD DESIGNER

NINE SIXTY - OCT 2012 - PRESENT

Over the past five years Nine Sixty has been working with local businesses to help them produce a captivating brand presence both online and in print. As a business owner I have learnt many new skills and enjoy sharing this knowledge with my clients.

GRAPHIC AND WEB DESIGNER

WEB MEDIA FACTORY - JAN 2011 - OCT 2012

Web Media Factory offer design solutions for digital marketers and entrepreneurs. Executing communications and design content for marketing campaigns and advertising provided me with the commercial experience I needed to launch my design career. As positions opened up within the company, my past experience and passion for web development allowed me to take on more challenging coding tasks alongside my design role.
